WHY A SPECIALIZED DEGREE

To be a leader in education, an institution must be founded on two basic principles: keeping the interest of students as its foremost priority and recognizing that knowledge is ever-growing, omnipresent and requires the opening of minds.

At Mangalayatan University, we take pride in these two qualities being at the core of our existence.

Mangalayatan (translated as the germinal bed of positive thought) aims to perpetuate a culture of hardwork, embracing change and preparing oneself for the fast progressing world with the latest skills and the highest level of social and personal values. Situated 20 km from the Yamuna Expressway in Uttar Pradesh, Mangalayatan University was founded in 2006 and has graduated over 7000+ students. Nearly 3500+ students from India and abroad are currently studying on campus.

Mangalayatan University vision is to give students from all kinds of background, a quality educational experience leading to legitimately rewarding career opportunities.

ABOUT BCA PLUS

With India moving forward to compete at international level, it offers a prominent sphere for career opportunities for professionals to grow and excel in the professional world. All MNC's and top companies are now focusing on hiring specialized professionals and these specialists are required in various fields and industries because they bring a level of expertise, efficiency, quality, and innovation that is essential for solving complex problems, driving progress, and providing a competitive edge.

Pursuing a specialized BCA Plus is a significant decision that can have a profound impact on your career and personal growth. To fully appreciate the importance of specialized BCA programs, it is essential to understand the role of context in guiding this educational and professional journey.

ABOUT MANGALAYATAN UNIVERSITY ALIGARH

Mangalayatan University is a multidisciplinary University established in the year 2006 by an Act (no 32 of 2006) of the State Legislature of Uttar Pradesh. With an ambitious vision and unique approach, Mangalayatan University has emerged as an innovative institution offering industry-focused specialized undergraduate and postgraduate courses, some of which cater to high-growth areas like engineering, management, law, biomedical, paramedical, pharmacy, humanities and so on.

Mangalayatan University was founded on two basic principles: keeping the interest of students as its foremost priority and recognizing that knowledge is ever-growing,

omnipresent and requires the opening of minds and these two qualities are at the core of our existence.

Mangalayatan (translated as the germinal bed of positive thought) aims to perpetuate a culture of hardwork, embracing change and preparing oneself for the fast progressing world with the latest skills and the highest level of social and personal values. Situated 20 km from the Yamuna Expressway in Uttar Pradesh, Mangalayatan University was founded in 2006 and has graduated over 10000+ students. Nearly 6000+ students from India and abroad are currently study on campus.
