# ABOUT

## MANGALAYATAN UNIVERSITY – ALIGARH

**Mangalayatan University** is a multidisciplinary University established in the year 2006 by an Act (no 32 of 2006) of the State Legislature of Uttar Pradesh. With an ambitious vision and unique approach, Mangalayatan University has emerged as an innovative institution offering industry-focused specialized undergraduate and postgraduate courses, some of which cater to high-growth areas like engineering, management, law, biomedical, paramedical, pharmacy, humanities and soon.

Mangalayatan University was founded on two basic principles: keeping the interest of students as its foremost priority and recognizing that knowledge is ever-growing, omnipresent and requires the opening of minds and these two qualities are at the core of our existence.

Mangalayatan (translated as the germinal bed of positive thought) aims to perpetuate a culture of hardwork, embracing change and preparing oneself for the fast progressing world with the latest skills and the highest level of social and personal values. Situated 20 km from the Yamuna Expressway in Uttar Pradesh, Mangalayatan University was founded in 2006 and has graduated over 10000+ students. Nearly 6000+ students from India and abroad are currently study on campus.
