INTRODUCTION

We offer a PG Diploma Course in Leadership and Local Governance, which is an advanced program designed to equip aspiring leaders with the skills, knowledge, and insights necessary to navigate the complexities of modern governance. The course modules unfold the concept of cultural adaptation and understanding local communities. This one-year program outlines insights into leadership aspects, citizen participation, policy formulation, capacity planning, non-profit, and ethical concepts, while focusing on decision-making abilities to repurpose the business prospects. Students are encouraged to develop ethical leadership, networking, and cultivate effective communication skills. The course duration of a year is divided into two semesters.

MISSION

👉 To focus on leadership development, decision-making, and ethical governance, thereby enabling professionals capable of driving impactful change in their organizations and communities.

👉 To enable students to adopt a global perspective while addressing local challenges, cultivate a deep understanding of leadership's role in promoting justice, accountability, and transparency.

OBJECTIVE

☞   To provide students with an in-depth exploration of leadership principles, organizational dynamics, policy-making, and ethical governance practices.

☞   By fostering both strategic thinking and practical implementation, this program prepares students to take on leadership roles across various sectors, including public administration, corporate governance, and nonprofit management.

SYLLABUS AND COURSE MATERIAL

Anytime-Anywhere Learning:

Students will get access to the Learning Management System (LMS), which contains the syllabus and self-learning materials in the form of textual notes, reference material, etc. The course material is designed by our experienced in-house Subject Matter Experts(SME). The format and course content is in accordance with CIQA and approved in consensus with the Board of Studies with prime focus on industry-relevant and subject-oriented concepts.

Study Material

The study material is segmented in digital format (e-content) for the respective programmes and is uploaded on the LMS portal; block-wise for every course. Students get access to a wide range of learning materials in the form of PPT's, video recordings, textual notes, and additional reference materials across the LMS portal.

Live Online Doubt Clearing Sessions

The live doubt-clearing classes are scheduled every weekend for students' engagement and interaction with lecturers via online mode.

Video Lectures

In case the students miss any live session during the weekend, the video recordings and PPTs of live classes are uploaded in the consecutive week on the student LMS portal for easy access to learning.

Medium of Instruction

Medium of Course Instruction: Hindi and English
Medium of Examination: Proctored Online Mode

Student Support Systems

To assist our students in their academic journey, our experienced program coordinators and student support team is always available to guide with queries or concerns related to course content, online sessions, assignments, exams, etc.
