INTRODUCTION

We offer an online diploma in Journalism and Mass Communication that covers foundational knowledge of media production and a strong grasp of media ethics, reporting, editing, and communication across various platforms, including print, radio, production, and digital media. Our course curriculum integrates journalism techniques and communication theories, aiming for the effective and ethical flow of information through media channels.

MISSION:

- ◆ To encourage students towards a qualitative approach to understanding the metrics of effective communication under media ethics and business laws in compliance with industry standards.
- ◆ To develop students with the ability to draft compelling content to meet the diverse networking demands of business and media, ensuring clarity of intent message for quality assurance.

OBJECTIVES:

- ◆ To motivate students to gain both theoretical and practical skills, such as content creation, suitable for diverse content formats, commercial journalism, and multimedia platforms. and enable them to create a media plan with trending advertising concepts.
- ◆ To encourage students to nurture innovative thinking and enhance both verbal and non-verbal communication skills to ensure quality standards for the circulation of information.
