# DIRECTORATE OF DISTANCE & ONLINE EDUCATION

MASTER OF BUSINESS ADMINISTRATION  
(FINANCE MANAGEMENT)

COURSE BROCHURE (2026-27)

# INTRODUCTION

Mangalayatan Online offers Master's of Business Administration in Finance to equip students with effective business management acumen. The course curriculum covers comprehensive knowledge of finance and business management. Preparing them for leadership roles in the financial sector. The course curriculum is structured with industry relevant topics of capital budgeting, capital markets, portfolio management, and audit practices for data analysis.

This four-semester programme prepares students to explore their careers in banking, business finance, wealth management, and economic analytics. This management online degree course is ideal for students to enhance accounting knowledge and financial techniques. With the flexibility of online learning, instructing students with essential strategic business oversight to resolve complex fiscal problems and make informed decisions.

## MISSION:

- To encourage students with an in-depth understanding of financial management, investment strategies, and corporate finance, and to develop financial leadership skills.
- To foster critical thinking and problem-solving abilities to enable students to make data-driven financial decisions to create value.
- To motivate them to build a strong understanding of global financial markets, financial institutions, and economic theories, and to prepare students to resolve the complexities of the financial world.
- To sharpen ethical decision-making and leadership qualities, prepare them with financial advisory and corporate finance to resolve finance-related career paths.

## OBJECTIVES:

The primary aim of the MBA Finance (Online) programme at Mangalayatan Online is to shape students' theoretical knowledge and insight to operate in the global financial market. We aim to enhance students' quantitative and analytical skills to estimate market trends and financial data to make data-driven financial decisions. Students will learn about investment analysis to prepare financial reporting, ensuring their career growth with effective leadership skills.
