INTRODUCTION

We offer an online Master of Business Administration (MBA) Plus program that spans two years, divided into a four-semester structure. Our postgraduate degree program is designed with essential business fundamentals and management principles of economics, human resources, and accounting. The course curriculum is curated with deep insight into entrepreneurial, marketing, technical, and analytical skills. A perceptive analysis to understand the organizational structures and functions is also explained through the course components.

Our advanced MBA plus program covers specialization in supply chain management, IT, healthcare, business analytics, and digital marketing to help students select the suitable domain for their future leadership roles. Our course curriculum is designed to enhance students' management knowledge and skills.

MISSION

- To equip students with industry-relevant skills and prepare them to be adaptive in cross-cultural communication for global competence.
- To enhance students' critical thinking and analytical skills with a proactive approach in planning and resolving complex business problems.

OBJECTIVES

- To enhance students' capabilities to strategize, collaborate, and support their effective business networking for their organizational growth.
- To encourage students to build their professional skills and devise assigned projects to scale the business with a productive outcome.

INSTRUCTIONAL DESIGN

The program is divided into four semesters and minimum credit requirement is 84 to get MBA degree in OL mode from Mangalayatan University. Minimum time period for acquiring MBA PLUS degree will be two years and maximum time (extended) period is 4 years. Student can select one elective.
